Grievance Policy

I. Policy

It is the policy of Minnesota Disability Support Alternatives to ensure that consumers receiving support planning through our organization have the right to respectful and responsive services. We are committed to providing a simple complaint process for consumers served by our organization and their authorized or legal representatives to bring grievances forward and have them resolved in a timely manner.

II. Procedures

A. Service Initiation

Consumers will be notified of this policy, and provided a copy, when they sign the Written Work Agreement for support planning through Minnesota Disability Support Alternatives.

B. How to File a Grievance

1. The consumer receiving support planning services or consumer's authorized or legal representative:
 - a. should submit in writing via email, fax, or mail their formal grievance, clearly indicating that this is not an informal complaint or problem, to their Support Planner if they feel comfortable;
2. If the consumer or consumer's authorized or legal representative does not believe that their grievance has been resolved or they do not feel comfortable submitting their formal grievance to their Support Planner they may submit the formal grievance in writing via email, fax, or mail to the Executive Director of Minnesota Disability Support Alternatives.
